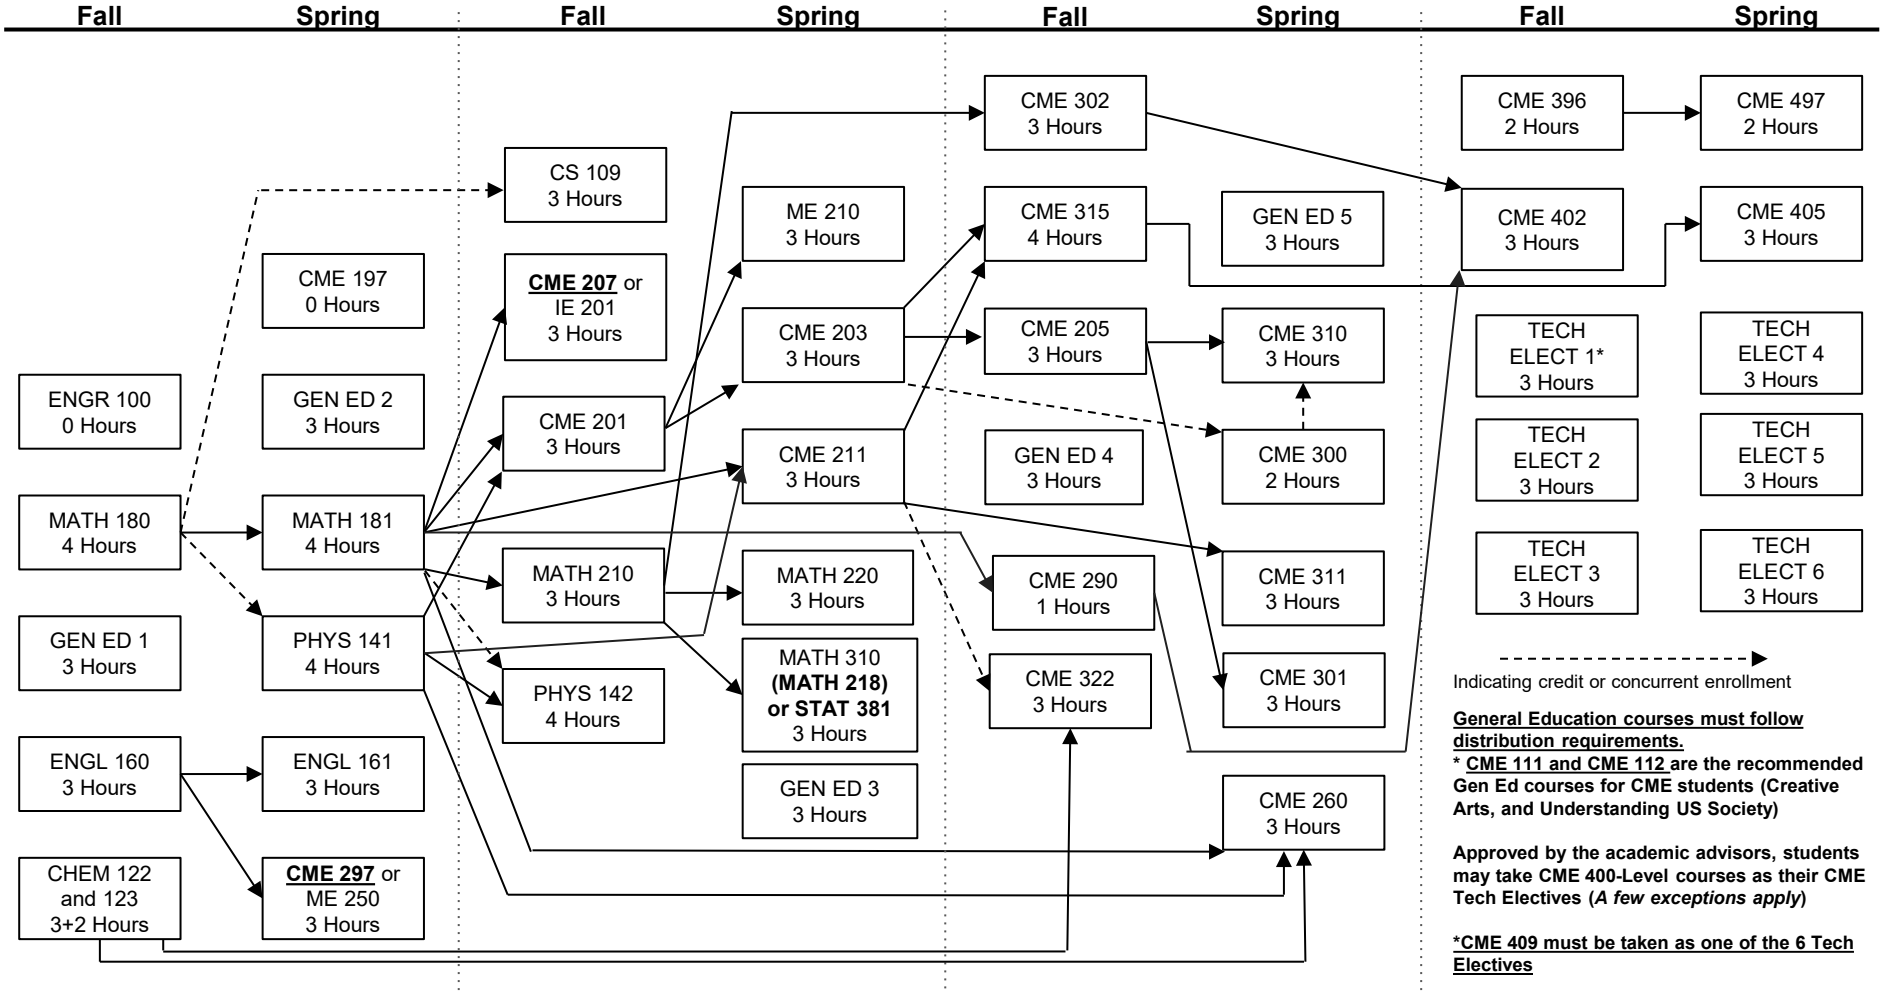
Typical Course Schedule for the Civil Engineering Major

Proposed for Spring 2024



General Education courses must follow distribution requirements.

*** CME 111 and CME 112 are the recommended Gen Ed courses for CME students (Creative Arts, and Understanding US Society)**

Approved by the academic advisors, students may take CME 400-Level courses as their CME Tech Electives (*A few exceptions apply*)

***CME 409 must be taken as one of the 6 Tech Electives**
